Professional Profile

A dedicated student with a strong desire to pursue a career in the IT sector. I am currently pursuing a Bachelor of Science in Information Technology at the University of Science and Technology of Southern Philippines (USTP). Through my coursework, research, and various projects, I have gained solid knowledge in programming, development, design, and Microsoft Office. My enthusiasm for computer-related work, coupled with practical skills acquired through hobbies and self-study, positions me well to begin a career in your company and contribute meaningfully to the industry.
